

'In the Upper Room- unchained'

with FRANZ LIPPI

23-24 June 2017

Vilvoorde

After the very successful 'Upper Room - Part I' in October 2016, our desire is to continue these meetings and grow together even more as we enter God's Presence. Wherever the Holy Spirit is invited and is given as much room as He needs, people cannot remain unchanged. And when God's children change, the nation will change too!

During this weekend we want to surrender the whole program into the Hands of God's Spirit, lift up Jesus as King and draw near to the Father's Throne. There will be room for worship, prayer, intercession, teaching (by Franz Lippi), prophetic words and/or acts. Come and join us in worshipping the Most High God. Let Him surprise you, touch you and refresh you, and transform our country.
