

Seminar with Wytze Valkema

"The kingdom of God and intercession - Praying with clean hands"

22-23 June 2018 Vilvoorde

At our six-monthly prayer seminar, we have a whole new speaker for us this time. Wytze Valkema, married to Ageeth, is a prophetic intercessor and worship leader: he is active in 'Highway 19/62 Prayer' in Amersfoort (NL), but also travels and teaches internationally. He regularly comes to Brussels to pray for the EU. He is part of 'Rafael Amersfoort' and 'The Worship Company'. Wytze is also a painter, musician and composer of worship music (Album Emerald), and he founded JMARTS ('Music and Arts', www.studiojmarts.nl, 2007). He finally wrote a book 'The Courts of Heaven. Experiencing the power of intercession in the House of Prayer' (2016). The second book on this subject 'Les Cours Célestes vol. 2' (2018) has just been published in French.

We are curious what God wants to bring through him in worship, prophetic teaching and ministry time. Please, come and let Him surprise you, touch you and refresh you, and transform our country.
