

Come join us! WE NEED YOU !

(May 2020)

**-one hour a week
-pray for one of the seven
'mountains' of the society
-4 to 8 times a year new
matter to pray**

Prayer is often compared to the engine that changes spiritual reality, or : with the gasoline in that engine, or : with **the key** that turns the engine on. In any case, prayer is a key that God has given us to set in motion the heavenly forces.

This is the reason for this chain of prayer : to give the greatest number of Christians the chance to step forward for our country. By participating, you become **a link in a long chain** of faithful intercessors. You can be a blessing for Belgium in this way. Do you want to participate? We need you! God needs you! Belgium needs you!

"And will not God do justice to his elect, who cry to him day and night, and will he delay in their regard?" Luke 18.7

How does it work?

God often gives some people a prayer burden for a specific area. This is why we want to start from the concept of the seven mountains of society (or : the "seven gates ") : these are the seven important spheres of influence (see box).

Whoever wants to pray chooses one (or more) mountain(s) and receives only the subjects for which he has registered **± 4 to 8 times a year.**

When Paul calls us to pray for people of high rank (1 Tim. 2,2), it is equally true for each of these areas : for decision-makers and politics.

How to put this into practice concretely

- Choose the mountain(s) that God places on your heart, and pass it on to us.
- You should manage to set aside **± one hour per week** for this purpose (but any shorter duration is welcome!).
- Try to choose the same fixed time each week. Prayer matters are sent by **email**, and (in short versions) also via **WhatsApp** (although not compulsory).

Register at : donat@gebedsnetwerk.be; (Donat): let us know for which zone (or more) you would like to receive prayer information, and also give us your mobile number (for WhatsApp) if you want to receive via WA too.

You can also read on the following website the general explanation of these seven areas : www.gbedsnetwerk.be
