# LORD, HEAL OUR LAND

24h online prayer initiative for Christians in Belgium

if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. (2 Chron 7:14 NIV)

## CALL FOR JOINT PRAYER AND FASTING

The corona crisis is giving heavy repercussions to our country. Now is a time to stand in unity and pray and fast together. Will you join us? We pray for healing of the sick, of confusion, division, fear, control, half-truths, ... The Bible describes a miraculous deliverance of Peter from prison as the people prayed continuously together (Acts 12:4). Praying together makes miracles happen.

**WHO? WHEN?** See prayer schedule. Every hour you are welcome to join us for prayer and worship!

Look at the language of prayer and worship (NL-FR-ENG)

**Time: 13th of December 23:00 till 14th of December 23:00**

### Practical guidelines:

- Enter the zoom session at the beginning of each hour.
- When you are not speaking put your sound on silent, also not to disturb with background noise
- Turn on your video, which helps to better connect with each other.
- Stay with your focus on the Lord, even when there are technical problems or irregularities. It's all about Him and not the zoom.
- Sing along at the top of your lungs during worship but put your sound on silent.
